IN RE: Application of All American Moving &)	ORDER GRANTING
Storage, Inc., Post Office Box 22655, Hilton)	REINSTATEMENT AND
Head Island, SC 29925 for a Class E)	MODIFYING
Certificate of Public Convenience and)	REQUESTED SCOPE
Necessity.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of All American Moving & Storage, Inc. (All-American or the Company) for reinstatement of its original Application for a Class E Certificate of Public Convenience and Necessity and to modify the scope of authority to read between points and places in Beaufort, Colleton, and Jasper Counties.

We would note that All American's original Application was dismissed pursuant to Order No. 2001-208 on March 7, 2001 for inaction. All American has now obtained an attorney, who requests reinstatement of the Application and, as indicated above, a modification of the originally requested scope of authority.

We have examined this matter and believe that the requested relief should be granted. The original Application is hereby reinstated, and the requested scope of authority shall now read between points and places in Beaufort, Colleton, and Jasper Counties. The Company is subject to compliance with all Commission Rules and Regulations.
